

The Lord's Supper

By Jacob Haines

What Is The Lord's Supper And What Is Its Purpose?

The Lord's Supper is one of the Holy Sacraments. It is the teachings, the belief, and the confessions that the elements given are Christ's body and blood and are given to us for the forgiveness of sins. Our churches teach that the body and blood of Christ are truly present and distributed to those who partake in the Lord's Supper (from the CONCORDIA, THE LUTHERAN CONFESSIONS). The purpose of the Lord's Supper is for us to be forgiven of our sins and for us to remember Jesus' sacrifice for us.

Communion and The Four Elements

Communion is the service where the bread and wine is consecrated and shared with the Church. Consecrating the elements is when the word of God is said over the bread and the wine. We should go to communion as often as we can and respect it. As we take communion, Heaven, Earth, and Jesus are right there. We should NEVER be afraid of the forgiveness of sins. The four elements of the Lord's Supper is the bread and the wine, which is the visible elements, and the body and the blood, which is the invisible elements. These are important because we receive Christ and forgiveness and it save us from sin, death, and hell. Jesus' blood protects us from the wrath God has on sin because we are then forgiven.

Jesus is with, over, and under the
bread and the wine.

Forgiveness of sins in Communion

We should always ask for forgiveness. Areas of our faith of the forgiveness of sins are Communion, Baptism, and the Confession and Absolution. The Lord's Supper gives us the forgiveness of sins. We have to believe in the words to have forgiveness and we also have to love Jesus. We already have forgiveness but we always need more. Jesus forgives everything.

Big or little, faith is faith.

My Bible Verse

The Bible verse I picked that relates to me is Deuteronomy 6:5

~Love the LORD your God with all your heart and with all your soul and with all your strength.~

~How this relates to me~

This verse relates to me because it reminds me that I should put all my trust in God no matter how bad things are. I pray to the Lord to help me, my family, and others knowing that he will do so.

God is in control
